PRIVATE CLASSES

Speak Bright's private classes provide a fully personalised learning journey tailored to your individual goals and schedule. We understand that many of our students, such as busy professionals or learners seeking faster progress, prefer a customised approach rather than joining larger group classes.

Each programme is carefully designed to suit your specific needs, from flexible scheduling to targeted skill development in areas such as speaking fluency, business writing, or pronunciation. Students begin with a short consultation to identify focus areas, ensuring every session is productive, efficient, and goal-oriented.

Private lessons are ideal for learners who value flexibility and personal attention while aiming to accelerate their English proficiency.
